

MODERN COUNTRY HOME

For Sale

Four miles from town, 4 acres...Wow!! Welcome to this 1.5 story home surrounded by sheer elegance of beautiful landscaping and the association lake that allows for easy access for water activities. Upon the grand entrance you will find a home office, dining, living room with the fireplace as its center piece and large windows that provide panoramic views of the lush surroundings. The kitchen is equipped with stainless appliances, a sit down island, quartz countertops and walk in pantry. An all season room which gives you access to the outdoor patio equipped with a kitchen outdoor firepit and superb landscaping. Finishing out the main floor is the master suite, laundry and half bath. Upstairs there are three additional bedrooms with access to appointed baths. This home is equipped with 4 separate zones for heating and cooling. This completely remodeled home spans approximately 3400 sq. feet and has undergone a meticulous remodel by K&M Design, a 2 car detached garage and unfinished basement offers flexibility for various purposes. This a must see with all the extra added features.
